I am thrilled to share an important milestone from my Erasmus program at **Universitatea „Dunărea de Jos” din Galați**. Under the guidance of my professor, **Papadatu Carmen Penelopi**, I had the privilege of presenting on "Industrial Revolutions and the Future of 4.0."

This experience was both inspiring and rewarding, pushing me to explore innovative ideas and reaffirming my passion for future technologies. I am deeply grateful to my university, **Universitatea „Dunărea de Jos” din Galați**, and my professors for their support throughout this journey.
